About Somaiya Vidyavihar University

On 26th August 2019, Somaiya Vidyavihar University has become a reality

A new milestone in a glorious ongoing journey established in 2019, Somaiya Vidyavihar University, Mumbai recognised by the University Grants Commission (UGC). Somaiya Vidyavihar, with over six decades of rich experience in building and managing educational institutes of great repute, is the sponsoring body. With over six decades of rich experience Somaiya Vidyavihar has become a self-finance Private University. Somaiya Vidyavihar University is the first private university in Mumbai vide the Maharashtra Self- Financed Universities (Establishment and Regulation) Act 2013. With this status, we now have the academic, administrative, and financial freedom, to achieve the dreams as imagined by our founders. We have a dream to build and support a world class institution, one that is proudly Indian, and excels in education, research and service. Somaiya Vidyavihar University will be a place where knowledge is preserved, disseminated, and new knowledge is created. It will be global in the reach of its ideas and universal in its service. Operational from 26th August 2019, Somaiya Vidyavihar University is a place where you can explore new possibilities, pursue your passion and above all, find yourself.

Our History

An all-round education must integrate Indian culture, values & morality into the curriculum.

In just five decades it has grown into a large educational complex with 34 institutions catering to diverse fields of education such as Humanities, Engineering, Education, Medicine, Management, Pure Sciences and Mass Communication, with more than 39000+ Candidates and 3000+ Faculties and staff on a throbbing 65 acre campus.

The Somaiya Vidyavihar Complex was founded in 1959 by late Shri K.J. Somaiya (1902-1999). Endowed with a sharp business acumen, a balanced perspective and a social bent of mind, Karamshibhai set up the Somaiya Trust in 1953 for furthering his dream of shaping young minds through quality education. For this purpose, he bought a large area of land at Ghatkopar, then considered to be distant, meagrely populated.

Our Vision

Our Founder, Padmabhushan Shri K. J. Somaiya founded Somaiya Vidyavihar on the 9th of September 1959. He later founded the Girivanvasi Pragati Mandal, The K J Somaiya Medical Trust, Girivanvasi Education Trust and sister institutions to make great citizens of India and the World. In the words of Swami Vivekananda, “We want that education by which character is formed, strength of mind is increased, and the intellect expanded, and by which one can stand on one’s own feet.” We have now grown into a multi-disciplinary and multi-campus education institution with over 1500 faculty, and 38, 000 candidates.

The Somaiya Vidyavihar University admitted 3000+ candidates in 100+ UG/PG/PhD/PG Diploma/Diploma/Certificate programmes in the very first year of establishment.

About Research Center

Biotechnology is a broad discipline in which biological processes, organisms, cells or cellular components are exploited to develop new technologies. New tools and products developed by biotechnologists are useful in **research**, agriculture, industry and the health sectors.

The research centre in Biotechnology has been established in the Department of Biotechnology, S K Somaiya College, Somaiya Vidyavihar University. The primary focus of the Ph.D. centre for Biotechnology is to provide world class education, training and conduct innovative research at the interface of multiple disciplines to create high quality human resource in disciplinary and interdisciplinary areas of biotechnology in a globally competitive research milieu. Both basic and applied research topics will be addressed. The Ph.D Research programme has started from the academic year 2020-21.

Faculty members also collaborate with scientists from National Institutes in India and abroad. Their research component further strengthens & enrich the teaching programme. Owing to the best academic practices for the teaching programme, this Department has been able to generate excellent human resources in Biotechnology.

The department has an excellent track record of research in various areas of Biotechnology with exposure to various themes. The Faculty members have excellent records of publication in journals with high impact factors and have been granted National patents. At present, we have Ph.D. guide with expertise in Industrial and environmental Biotechnology, Plant tissue culture and IPR. Since several years many of the alumni of the Department are well placed in various premier Institutions as scientists, teachers & entrepreneurs in various parts of the country and abroad. The Department has several collaborative Projects in pipeline with the Michigan State University and KIAAR. The department has several MoUs with organisations of national and international repute.

The Department of Biotechnology also promotes the students to participate at various competitive events e.g. AVISHKAR to present their hypothesis or preliminary results and get an exposure of cutting-edge futuristic technologies.
